May 15, 2019

Dear Colleagues:

The Northeast Telehealth Resource Center (NETRC) is pleased to invite you to participate in the Northeast Regional Telehealth Conference to be held on **June 17 and 18, 2019** in Portland, Maine (The Westin Portland Harborview). Stakeholders from across the eight-state NETRC region (New England, New Jersey, and New York) and beyond will share telehealth best practice and innovation, network with colleagues, and identify opportunities to advance telehealth. **Join us for this year's event, which focuses on the impact of telehealth from a variety of perspectives, including patients, providers, health systems, payers and more!**

Our program begins at 1:00 pm on June 17th with plenary and breakout sessions followed by the grand opening of the Exhibit Hall and a Networking Reception at 4:30 pm. June 18th will feature a keynote address, plenary sessions, and a variety of breakout sessions. Our 2018 conference brought more than 190 healthcare providers, administrators, payers, policy leaders, and vendors from across the region to Southern Maine. With a number of exciting policy developments on both the national and regional level, and many new programs to highlight throughout the Northeast, we are confident that 2019 will be our largest conference yet.

Please join us for this exciting event by becoming a sponsor and/or exhibitor! We've created a variety of opportunities to network and gain exposure throughout the conference. The Exhibit Hall will serve as a focal point for networking and the agenda will include ample time for attendees to visit with sponsors. All sponsorships include an exhibit booth and 1-3 conference registrations for the full conference. *Please note: wired internet is included in the Platinum Sponsor level, and is available to other sponsors in limited capacity, for an additional fee.*
In addition to the enclosed sponsor and/or exhibit opportunities, we are open to discuss other promotions for your company, such as distributing branded flash drives with conference presentations or nametag lanyards.

Secure your opportunity to join the conversation, showcase your organization, and network with attendees by registering now at www.netrc.org/conference. Please contact Diane Campbell, our Conference Coordinator, with any questions at dianec@mcdph.org or 207-622-7566, ext. 230.

Many thanks in advance for your support - we can't wait to see you in June!
