in person!

2021 Sponsor Prospectus

Benefits of Sponsorship

- ▶ Targeted connections to over 250 telehealth decisionmakers, leaders, and advocates.
- ▶ An opportunity to learn about the ongoing and current challenges and opportunities in telehealth.
- ▶ Access to our attendee list* including their names, organizations and titles.
- ▶ Exposure to the region's federal partners.
- ▶ One-to-one access to attendees during multiple breaks and dedicated networking times.

* Includes attendees willing to share

Dear Colleagues,

The Northeast Telehealth Resource Center (NETRC) is pleased to invite you to participate in the Northeast Regional Telehealth Conference to be held (IN PERSON!) **on Thursday and Friday, September 23–24** in Manchester, New Hampshire at the Doubletree by Hilton, Manchester Downtown.

Stakeholders from across the eight-state NETRC region (New England, New Jersey, and New York) and beyond will share telehealth best practice and innovation, network with colleagues and identify opportunities to advance telehealth.

Join us for this year's event, which focuses on the impact of telehealth from a variety of perspectives, including patients, providers, health systems, payers and more!

Please participate in this exciting event by becoming a sponsor or industry partner. We've created a variety of opportunities to network and gain exposure throughout the conference, including a new opportunity we're really looking forward to!

The Exhibit Hall will serve as a focal point for networking and the agenda will include ample time for attendees to visit with sponsors.

The NETRC Event will also include an "Industry Partner Showcase: Live Demonstration and Vendor Success Stories" Pre-Conference Workshop, with time slots included in sponsorship packages.

All sponsorships include an exhibit booth and 1-2 full-conference registrations.

In addition to the enclosed sponsor and/or exhibit opportunities, we are open to discuss other promotions for your company, such as distributing branded flash drives with conference presentations or name-tag lanyards.

Many thanks in advance for your support - we can't wait to see you in September!

Our 2019 conference brought over 200 healthcare providers, administrators, payers, policy leaders, and vendors from across the region to Southern Maine. We're thrilled to be hosting in a new location in our region, and with a number of exciting policy developments on both the national and regional level, along with many new programs to highlight throughout the Northeast, we are confident that the 2021 event will be our best conference yet.
